PANDA supports the advancement of medical knowledge to improve treatments and find cures for devastating childhood diseases. Our board of 200 local volunteers raises awareness and private funding for the Steele Children's Research Center, the only pediatric medical research center in Arizona. With your help, PANDA is funding the projects that provide insight into diseases once thought unstoppable.

WHY RESEARCH

"If I spend an hour with one child, I help one child. If I spend an hour in the lab, I help 1,000 children."

- *Dr. Fayez Ghishan*
Director of the Steele Children's Research Center

WHY PANDA

"You never know when you are going to need the research, clinic, or physicians funded by PANDA. Those resources saved our family."

- *Robyn Calihan*
mother of Steele patient

WHY STEELE

"I went to seven different doctors and got no answers, or the wrong answers. Then I went to Steele, and within two minutes of meeting Dr. Ghishan I had an answer."

- *Will Graham*
Steele patient

EVERY DOLLAR HELPS...

\$10,000 **Research needs people.** Your donation helps us recruit and retain world-class researchers.

\$5,000 **Medical advances mean more diseases and disorders are being discovered.** Your donation funds new projects discovering vital treatments.

\$2,500 **Future researchers are being trained at Steele.** Your donation jump-starts careers of physician-scientists.

\$1,000 **Ground-breaking research is being conducted in 27 labs.** Your donation funds lab operation and staffing.

\$500 **Equipment is fundamental to research.** Your donation provides essential state-of-the-art equipment.

\$250 **All donations have a huge impact.** Your donation can be the seed money for millions of dollars in federal grants.

To make a donation, visit AZPANDA.org/donate or mail a check payable to UAF/PANDA to 4455 E. Camelback Rd. Suite E-125, Phoenix, AZ 85018.
